

Directions to the Iglesia Presbiteriana “Lirio de los Valles” (Lily of the Valley)

Calle 11, Avenida 19

Directions:

Crossing the Border go east (left) on the Calle 1 (first possible left)

Continue east until you dead end into a baseball stadium at Avenida 15.

Go south (right) one block and turn east (left) on Calle 2.

At the stoplight, turn south (right) on Avenida 20 de noviembre.

You will go through two stop lights (Calles 5 y 6) and a four way stop (Calle 9).

At 11th street and 20th Avenue, go west (right) on Calle 11.

Go one block church facility on the southeast corner of intersection, Café Justo y Mas on the northeast corner of intersection.

***When you cross into Mexico, you will go through Mexican customs. Here are normally two lanes open. As you drive through, you will either get a green light or a red light. If you get a green light you just continue going forward slightly to the left before making the left hand turn.

If you get a red light, you go right for secondary inspection. The Customs agents will ask to look in your trunk and may ask to look in your glove compartment. They may ask you where you are going and you can respond Agua Prieta or the Lirio de los Valles Church. They will probably not ask for identification.

The process will probably take less than one minute after which you pull out of secondary and turn left.
