**WRITTEN STATEMENT AS A YOUNG ADULT ADVISORY DELEGATE TO THE
222ND GENERAL ASSEMBLY**

1. Why do you want to become a Young Adult Advisory Delegate to the General Assembly?
I believe that it is my duty as well as an honor to show that young people of all ages are interested in the wellbeing of the church and will do my part in participating for the Presbytery de Christo as a Youth Delegate for the General Assembly as best as I can.
2. What leadership roles do you currently fill in your church?
Currently, I am not on session. I often volunteer at many of my church functions and participate in many of the music programs offered in my church. I am often called to help with the Offering as well as helping in the tech booth when needed.
3. Are you active at your school/ in your community?
I would say that I am active in my school and my community. I am an active member of my high school marching band and enjoy participating in many of the band functions that my school offers. I am also a member of my school's political associations and avidly participate in those areas of my school and community outreach.
4. How would becoming a YAAD impact you financially?
Honestly, YAAD will not affect me very much financially. Other than the cost of travel expenses, I really don't think it will affect me very badly. I can pay for a plane trip easily, and it will not affect me very much in an adverse manner.
5. How do you think this experience will impact your life?
I think that this is a very great opportunity and I am excited to see that I was nominated for a position. Religion has always been very important to me and I look forward to the experiences of General Assembly and the outlooks on life and culture that I will see as a result of the gathering of such a large group of people. When I was first approached about the decision, I wanted to think long and hard about the experience and whether or not I was really experienced enough to participate in such an activity. I am happy to say that I believe that this is a great opportunity and look forward to the experience that this will provide.

The above nominee was elected by the Session of _____ Presbyterian Church on _____. We hereby place their name in nomination for GA Commissioner to the 222nd General Assembly.
